

FREE WATER SOFTENERS and ECO-friendly Water Treatment

for Residential, Agriculture & Industry.

Products

At **WaterAtBest**, we are constantly striving to make smart decisions when it comes to our Eco friendly Water Treatment Systems. A smart decision means weighing the pros and cons, evaluating the cost against the benefits, and making a choice for the right reasons for you. It means having no regrets. Our investment in eco-friendly water treatment technology, quality, extensive research, ensures our products are built with integrity from the first and to the final test. Discover the UNIQUE qualities of our products, customers find that our micro processor controlled computerised Water Treatment Systems holds the minerals 24/7. You will find more details about **WaterAtBest** Water Treatment Systems by visiting our site **Frequently Ask Questions**. Some other companies even make comparisons of our product against theirs on price, or warranty etc., but NEVER on effectiveness; WE wonder why? Let us provide you with a better solution for your hard water problems. Are you confused by all the claims from companies claiming to sell salt-free or salt less water softeners?

We welcome customers from countries outside Canada, however, we request you email us before you make your purchase to ensure that we understand your shipping requirements and allow us to provide an accurate quote for the right product for your needs.

We offer a 30 days money back guarantee. Our confidence in our products compels us to extend a 30 Day- Money-Back trial period or an exchange for another model from our product line.

IF YOU PREFER TO DO BUSINESS OVER THE PHONE, PLEASE EMAIL US WITH YOUR PHONE NUMBER AND THE BEST TIME TO CALL (BE SURE TO INCLUDE REGION), AND WE WOULD BE ONLY TOO HAPPY TO CALL YOU AND PERSONALLY TAKE YOUR ORDER OVER THE TELEPHONE AT OUR EXPENSE
